

# Purple Premier 2024

Sunday 21<sup>st</sup> January

Info Pack

# Brief Explanation

The Purple Premiere is our annual in house showcase, the first opportunity for our athletes to perform their competitive routines, and a great opportunity for family and friends to come and see their Starlet Cheerleaders as well as the rest of the programme.

This year, due to popular demand, the showcase day will run a little bit differently...

## **We will be hosting 2 showcases!!**

This means there is less of a restriction on the amount of tickets you can purchase and our athletes have double the performance practise.

This also means that we are altering the “training” element of the day.

This year, athletes will come in early enough for a competition style warm up (great practise ahead of their first competition), and there will be a lunch break ahead of show 2 (timings on the following pages).

Recs, 'Beena Berries and Blackcurrant will only be in Show 1.

Set up for this event is on Saturday 20<sup>th</sup> from 3pm and **ALL SENIORS are expected to come in and help**. We welcome any other volunteering junior athletes / parents to come in... many hands make for light work!

# Tickets

If you have been to the Purple Premiere before, tickets will be issued slightly differently this year.

This year, all tickets will be purchased digitally via our online booking service. The link can be found at the bottom of the page, but please make sure you read through all this information thoroughly before proceeding.

Tickets are £11 per person and will be allocated on a first come first served basis. Children under 2 come in free and do not need a ticket but will be sat on a lap and not allocated a seat. As tickets will be allocated on a first come first served basis, this means families may be split across 2 rows (so sat in the seats in front / behind their other members).

We are operating 2 shows this year, and in the (unlikely) case that there is an under sale, we will combine into 1 show and tickets will still be allotted based on the time they were purchased. As always, seating is limited and will be allocated first, and once those are sold out, the tickets will then become standing tickets. We have allotted the amount of tickets available to all based on an average of previous years, but once tickets are sold out (seating and standing) then we will not be able to do anything.

You can order for either show, but there is a limit of 4 tickets per athlete OVERALL (not per show). So you can order 2 for show 1, and 2 for show 2.... Or 3 for show 1 and 1 for show 2... or 4 in one show! But not 4 in 1 show and 4 in the next (as that would be 8). If there are sibling athletes, the second sibling can order an additional 2 (total 6), and the third sibling can order an additional 2 (total 8). If anyone orders more than their allocated amount, your entire order will be refunded for you to then restart the booking process again (but obviously this will put you further down the list in seat allocation).

This limit will only be until December 31<sup>st</sup>. As of January 1<sup>st</sup>, anyone will be able to order any other additional remaining tickets they so wish, so our best advice is to order your tickets ASAP.
